DCE Environmental Policy Statement

We are committed to:

- 1 Working to enhance the value of our park for wildlife
- 2 Complying with the requirements of relevant environmental legislation and approved codes of practice
- 3 Assessing the environmental impact of all current and likely future operations
- 4 Reducing the pollution and waste produced by our park operations
- 5 Reducing the consumption of all raw materials, including water, energy and supplies on our park
- 6 Training employees in environmental matters and encouraging them to take a lead on environmental improvement projects
- 7 Expecting high environmental standards from all our suppliers and contractors
- 8 Helping and encouraging our tenants to do their bit for the environment
- 9 Helping our tenants to enjoy the wildlife on the park and to participate in its conservation
- 10 Working as a 'good neighbour' in our locality by supporting our local community and economy
- 11 Supporting local conservation projects
- 12 Working to reduce our carbon footprint

We will do our best to honour this statement and ask you as tenants to help where you can, to help us maintain the unique nature of Dunwich Cliffs Estate.

Park Warden: Anne & Mick Tyler 07852 126010 ~ Pitch 115, Dunwich Cliffs Estate, Minsmere Road IP17 3DG
